

Cable and Satellite Dish Permission Form

Account Holder's Name: _____

Service Address: _____

Deschutes Property Management, as agent of the above mentioned property, gives our permission for:

_____ to add additional cable outlets to the property by drilling a hole through the floor of the property ONLY. Drilling a hole through an exterior wall is not permitted.

Deschutes Property Management, as agent for the owner of the above-mentioned property, gives permission for:

_____ to install a satellite dish on the property by FASCIA MOUNT ONLY. NO ROOF PENETRATION ALLOWED. All exterior cabling must be run along trim. Only one (1) satellite dish is allowed at any location, unless otherwise agreed in writing.

Tenant Name: _____

I/we, the above-mentioned occupant(s), agree that if any of the above mentioned terms are not followed by the installing company that I/we are to be held responsible for any and all repairs or removal necessary.

At the time that I/we vacate the unit I/we will be responsible for removing any remaining satellite dish and understand that I/we shall be charged to do so if we do not remove it.

ATTENTION: If you are a DirectTV customer, please be advised that at this time due to poor installation we are not allowing DirectTV on any of our rental units. Please feel free to have your customer service representative contact our office directly.
